### Sample Submission Guidelines

- 1) Call Debbie at (908) 256-0833 to schedule a sample pick-up date.
- 2) The fecal sample should be as fresh as possible to avoid too many eggs hatching before the exam takes place.
- 3) Place 1-2 small fecal balls in a zip-lock type plastic bag and remove as much air as possible from the bag.
- 4) Put the sample in a second plastic bag along with this completed request form and your payment. Each fecal egg count costs \$20 (cash or check made payable to Debbie Marakowitz).
- 5) Keep the sample in a refrigerator until picked up.
- 6) The results will be sent to you within a week of the pick-up/exam date.
- 7) If you have any questions regarding the submission of a sample or the exam results, please call (908) 256-0833 or send an e-mail to [Lwg23@elderberryacres.com](mailto:Lwg23@elderberryacres.com).
